ABOUT US

ZYZ GOLD Trading LLC as established in 1999 Under Dubai Economic Department. Credibility, integrity, validity and trustworthiness have been the only words that best describe our business trend that has been established in UAE, under commercial license No. 513093, issued by the Department of Economic Development in Dubai.

ZYZ GOLD Trading LLC Located at the epicenter of many affluent trade routes between the East and the West, Dubai has played a dominant role for centuries in the international physical gold market, a dominance which has grown further over the past decades. Today, Dubai is known as the City of Gold.

At **ZYZ GOLD Trading LLC**, we specialize in the processing of precious metals such as gold and silver and we also have a wide range of products, including various types and sizes of Gold bars and Silver bars

ZYZ GOLD Trading LLC provides complete precious metal solutions, from the financing of raw material mining, all the way through to the end product, whether beautifully crafted pieces of handmade jewelry or commercial bullion bars. Our organization is one of the leading names in Dubai Gold Market. We have strong customer base in Middle-East, Asia and Africa.

ZYZ GOLD Trading LLC maintains high standards and ethical values when it comes to business. We only deal to those who abide by the law and with a high ethical reputation in this industry.

Furthermore, **ZYZ GOLD Trading LLC** is confidently looking forward to a sustained development and a continuous growth. We will keep a good relationship with our customers to maintain firm in this competitive market.

Strategy & Vision

Our vision is to serve our customers and to help them meet all their precious metal's needs. We cherish and uphold a strong set of values that guide everything we do. We aim to build a work environment where each individual, irrespective of grade, is valued and has an opportunity for personal and professional growth. Strengthening relationships with partners, regulatory agencies and the local community is our prime priority. Excellence is neither an occurrence nor an achievement, but an ongoing pursuit that leads to success.
